Debt Setoff Collection Program

Five Star Computing, Inc.

A Message from NCACC Executive
Director,
David F. Thompson.

During this tough economy, the North Carolina
Association of County Commissioners is proud of our
partnership with our counties that helps ensure tax
equity and fairness for our citizens.

A Message from
NCLM Executive Director
Ellis Hankins

For many of our member cities and towns, the Debt Setoff program has been instrumental in helping them continue to provide a high quality of services to their citizens -- even in a very tough economy. We are grateful for this partnership and encourage other local governments to consider using the program.
